

Dear Moffett Community,

On behalf of Moffett PTA's Executive Board, welcome to the 2023-2024 school year! We are filled with excitement as we embark on another wonderful year alongside our amazing Moffett community. A warm welcome goes out to our new Mustang families, and we hope your experience here at Moffett will be filled with lasting memories and meaningful friendships. To our returning families, we look forward to continuing our partnership with you as we begin a new year together.

I am honored to serve as this year's PTA President once again, joined by Rebecca Weeks, our Executive Vice President, as well as a dedicated Executive Board comprised of various officers and chairpersons. Rebecca and I have been fortunate to be involved with the PTA since our children entered Moffett, and we are thrilled to continue being of service to our Mustang community as we work closely with the Executive Board team to ensure that each child has an incredible journey at Moffett. Our sense of community is something we take great pride in, and we eagerly anticipate the opportunity to meet all of you this year.

Moffett PTA is dedicated to fostering a well-rounded and enriched educational experience for our children. We advocate for all students through various programs and events, such as Art Masters, Best Foot Forward (BFF), Reflections, Jog-a-Thon, Book Fair, Spring Carnival, curriculum-aligned field trips and more. All of these are made possible through your PTA membership, volunteer hours, monetary donations, and the unwavering support of our extraordinary faculty and community.

Our sincerest hope is that each of you will find ways to get involved in our various committees and support our programs throughout the school year. To stay informed, please visit our Moffett PTA website at [www.moffettpta.org](http://www.moffettpta.org), where you can find the most up-to-date information. Additionally, our website calendar will display important dates for PTA happenings throughout the year, including our five General Association meetings. We strongly encourage all of you to join us for these meetings, as they provide a valuable opportunity to learn more about our PTA and offer feedback that will help us make the best choices for our Mustangs. We always welcome new volunteers and fresh ideas!

Thank you all for your unwavering support in making Moffett the special community it is. Our success is driven by your engagement, and we are filled with anticipation for the exciting possibilities that this new school year will bring. Please don't hesitate to reach out to us anytime.

Sincerely,

Lindsay Araya
