

Moffett Mustang Chorus

Dear Parents/Guardians,

I am excited to announce that this year brings a great opportunity for your student to participate in the Moffett Mustang chorus! This is a **4th and 5th grade** choir that meets once a week after school. The goal for the year is for the students to achieve great things both on and off stage. I am a believer in the power of music education and consider this to be a core part of a child's development. Although we strive to prepare for performances, the goal of this class is to learn, understand, and appreciate the value of music. I firmly believe it is the key to reaching a student's full potential.

My hope for chorus is that it will provide a place for every student, no matter their performance level, to be successful and grow. I will give a variety of opportunities both in and out of class for students to learn and prepare for middle school choir, music auditions, and to meet their own personal music goals. I will incorporate music theory, sight reading, vocal technique, and performance skills. There will be multiple performances scheduled throughout the year, including a Winter Musical, The District Art Show, The 3rd Annual District Choral festival, and other school performances! **This class will take place on Tuesdays after school, from 2:30-3:20 in the Gallery beginning on October 1st.** *There is no audition or fee required to be a part of this program – students will need to purchase a t-shirt but will be provided with other materials.*

You will find an interest-survey on the back side of this page. Please fill this out and turn in the slip directly to me or to the front office prior to the first rehearsal. I am so excited to begin this program and I am grateful for the opportunity to educate children in a subject that I truly believe will enrich their lives. Music is my passion and I love to see students develop into independent musicians. I am looking forward to a fabulous year and thank you so much for your support!

Best,

Mrs. Girardet
